Customer Reviews

This is really a brilliant book. It has everything you need to know about jazz from basic to advanced. No matter if you are a student, dancer or teacher. A. Gaarden, dancer, teacher & choreographer

This book is really good for beginning teachers. It covers almost all the basics and it even goes to advance. It has been very useful for different types of jazz techniques and classes.

This item was listed as "Used - Acceptable" and I am very happy with it. The condition of the book is excellent, the only mark I've seen on it so far is a sticker inside the front cover, which doesn't affect the book in any way. Thanks, Tacoma Goodwill!

The Book was in perfect condition and delivered in a timely manner. It is a good book, demonstrating steps and exercises by legendary jazz great Gus Giordano. Worth the purchase.

It is a good read.
