Best Sellers Rank: #113 Paid in Kindle Store (See Top 100 Paid in Kindle Store) #2 in Kindle Store > Kindle eBooks > Teen & Young Adult > Literature & Fiction > Social & Family Issues > Self-Esteem #2 in Kindle Store > Kindle eBooks > Children's eBooks > Growing Up & Facts of Life > Friendship, Social Skills & School Life > Self-Esteem & Self-Respect #2 in Kindle Store > Kindle eBooks > Children's eBooks > Action & Adventure > Survival Stories

## Customer Reviews

The Hunger Games (Trilogy) is one of the most "unreadable" books to enter the teen market in a long time. The cliffhangers at the end of each volume are so intense, you can't help but continue on. Knowing this in advance, I decided against reading the series last summer despite the fact that everyone was talking about it. I waited the extra year, and I'm glad I did--even a week was torture when it came to getting my grubby mitts on a copy of Mockingjay. For the record, this isn't a series for everyone. You will be drained emotionally by its end. The Hunger Games is one of the grimmest dystopian worlds I've encountered in literature. A lot of characters die, and their deaths aren't

pleasant. This series may not be for you. Then again, those who know me well would say it's not for me, either. I'm one of the most squeamish people you'll meet, and The Hunger Games more closely resembles the movie Battle Royale than I thought it would when I started reading. I really enjoyed the series, though. There are scenes so poignant, they'll stick with me. Between this and Stieg Larsson's Millennium Trilogy, I've found that even squeamish ole me can still enjoy a disturbing book if it's thought-provoking and well-written. Now that I've warned you about the contents, let's move on to the meat of this review. It's hard to go in-depth without giving a lot away, so I decided to focus on the trilogy as a whole instead of singling out Mockingjay and reviewing it on its own (though I do have a paragraph dedicated to it further down). A brief synopsis for the uninitiated: The trilogy takes place in the future. The USA has been destroyed; in its place is Panem, which consists of thirteen districts and a Capitol city.
