SHAMELESS CAPTIVE: Seduction In Reverse

Synopsis

Kelly Burke is the spoiled, younger sister of Tyler, who runs their father's construction company after his death. Both enjoy care-free, pampered lifestyles. Tyler, unfortunately, without the experience or knowledge of managing a company, watches it financially crumble and hires his former military buddy, Damon Santoro, to lead its Operations. Damon has a solid reputation in the industry and possesses the leadership qualities Tyler lacks. Burke Construction does a complete turnaround and business thrives. Tyler, realizing he has a rainmaker on his hands, encourages Kelly to lead on Damon as a means of keeping him around. Damon has been bewitched by Kelly's beauty since their army days, when Tyler shared enticing photos of her. Kelly is immediately attracted to Damon, but forbidden to have a relationship with him by her brother. Tyler is afraid that should things sour between them, Damon might be tempted to leave the company, and its renewed success would end. Kelly learns to submerge her romantic and lustful feelings for Damon for several years, only manipulating him with her seductive charm at Tyler's direction. Other men come and go in her life, but none have Damon's brooding sensuality. Damon is the one she secretly desires. One night, before she goes off with her girlfriends to party and bar-hop, Damon shows up agitated at her door, claiming that he's being framed by Tyler for a crime that could send him to prison. His wild accusations make no sense to Kelly. Damon is furious, accuses her of being involved and insists that she go with him. When Kelly refuses and tries to soothe him with her feminine wiles, he uses chloroform to subdue and take her as his hostage. SHAMELESS CAPTIVE is packed with plot twists, page-turning suspense and crackling erotic heat that leads to a shattering conclusion. SHAMELESS CAPTIVE is Laurie Vincent's second erotic suspense novel. Her first, SINFULLY GOOD, was published in 2014. She has also written a two-part sexy and humorous financial crime mystery, CRAZY LADIES. All of her titles can be found exclusively on .

Customer Reviews

Once again bringing her inimitable flair for writing kick-ass women and hot-as-hell hunks, Ms. Vincent amps it up a notch in this fast-paced and thoroughly-enjoyable reading experience. One of the many things I loved about this book is how she developed her characters, the slow unveiling of who they were and why. Great plot, snappy dialogue and sex hot enough to have me swooning in my chair make this a must-read. What's next, Laurie?

I have become a fan of Laurie's writing. Her female characters are always strong, young, and attractive. And of course, the sex is always steamy. Shameless is no exception. What always comes through in Laurie's work is the plot. It isn't simply about the sex, I always end up as hooked on the story as I am when the characters fall into bed. While brother (Tyler) and sister (Kelly) fight over the family business, her dream man (Damon) takes her captive when he discovers Tyler is setting him up. The heat between the two is palpable and Laurie always keeps the reader sweating, lol. A very good read, Laurie Vincent nailed another one!

This was my first read by indie author Laurie Vincent. I found it to be an entertaining little novel full of intrigue, gorgeous (rich & spoiled!) main characters, white-collar crime, and plenty of erotic scenes. Fans of "adult" soap operas will especially enjoy. ;)
