Customer Reviews

These King James Version Bible CDs enable anyone interested in hearing the contents of the Bible (King James Version), read by a professional. The contents of the Bible can greatly differ from what is sometimes preached and taught; hearing them is far more beneficial. These CDs are far more useful for those who are interested in starting at a specific place in the Bible, and hearing its contents from there. Anyone who desires to consider the Bible literally will find this reading helpful (though a far more literal rendering is far more helpful, and is also not available from what I have seen). Why is Abraham so important? The Genesis text will explain. What did Jacob suffer after his brother sought to murder him? The Genesis text will also explain this. How did Joseph save the entire Middle East? This is also in Genesis. How did Israel come out of Egypt? The Exodus text will explain this. When did the Israeli-Palestinian conflict begin? Genesis 26 explains this. When did Israel and the Palestinians begin having wars? The Book of Judges explains this. Hearing the real

accounts can change the perspectives of those who were incorrectly taught these things, but who never considered what really happened. The Bible squarely places Israel as the center of the plan of the God of Abraham, Isaac and Jacob; the text found on these CDs will explain exactly why this is. Listening literally to the CDs of Revelation will prove quite surprising. No where is Israel successfully attacked by demons in the whole book of Revelation.
