Laugh-Out-Loud Jokes For Kids

Customer Reviews

My 8yo son carried this book around with him. Even slept with it! He had his nose stuck in it, occasionally looking up to tell me a joke but mostly just enjoying giggling at the humor that is perfect for the older elementary set. Kids don't realize that reading this book is helping them improve their language skills. I loved this book and recommend it highly as a gift for a kid in your life. And it's the perfect size to fit in a Christmas stocking.

This joke book is definitely a contender for Most Popular Joke Book of the Year. Yes, it has some "groaners" but those are what the kids like the most! The humor is clean, imaginative, and suitable for kids as well as adults. I enjoyed it very much and I'm not much of a joke book reader, but I find myself still remembering the chuckles even when I have now forgotten the punchlines! I wish my grandson was 9 instead of 5 so that I could tickle his funnybone!

My 7 year old son loves this book. Yes, the jokes are corny but this book is directed towards children. My son really likes the jokes. It's hilarious watching him laughing after he read the jokes. He thinks I'm laughing at the jokes when I'm really laughing at him.

If you are looking for highly sophisticated and dry humor, this isn't your joke book. But if you want a bunch of fun and entertaining jokes to share with children, this is your book! Highly recommended if you want to see your kids giggle, smile and laugh.

I work in a grocery store bagging groceries. Needless to say, I see a lot of kids. I thought this would be a great corny book to get the shyer kids laughing with. And it is! Mostly. The first half is full of funny jokes. The second half is dedicated to knock knocks, and well... not so good. All name themed, all have to do with the old "lettuce in!" gag. Most aren't funny at all. Not even corny funny. I feel like I only bought half a book.

I really recommend this joke book. I did laugh out loud! It makes a great gift. I am getting it as a stocking stuffer for some of my friends. And also to give it to a friend who is convalescing in the hospital.

The book looks small and thin in the ad but it's actually 7"x4.5" and 1/4" thick. 126 pages of super cute appropriate jokes for kids of all ages. Definitely a good buy for the price and the jokester in your

family.

We picked this book up for our 7-yr old daughter. She loves to read the jokes and riddles to us whenever she has a free moment. It has goofy, age appropriate word-play jokes, knock-knock jokes, riddles and tongue twisters. It was great family fun trying out the tongue twisters and answering riddles on a recent driving trip. This is definitely worth having around.
