Bunnicula: A Rabbit Tale Of Mystery (Bunnicula And Friends Book 1)

Synopsis

This book is written by Harold. His fulltime occupation is dog. He lives with Mr. and Mrs. Monroe and their sons Toby and Pete. Also sharing the home are a cat named Chester and a rabbit named Bunnacula. It is because of Bunnacula that Harold turned to writing. Someone had to tell the full story of what happened in the Monroe household after the rabbit arrived. Was Bunnacula really a vampire? Only Bunnacula knows for sure. But the story of Chester's suspicions and their consequences makes uproarious reading. Since its first appearance in 1979, Bunnacula has been a hit with kids and their parents everywhere, selling over 8 million copies and winning numerous awards.

Customer Reviews

Children's librarians have to prepare for certain kinds of questions. When a child walks up to your Reference Desk, you need to be ready to get them the exact book they're looking for at the exact moment that they want it. I get a lot of young kids, mostly girls, who want a good vampire book of their very own. Aside from the usual "Vampire State Building" and "Dracula Is a Pain In the Neck", both by Elizabeth Levy, there's really not a lot out there to recommend wholeheartedly. In fact, nine

times out of ten, I find myself suggesting that most accessible of vampirism books, "Bunnicula". It doesn't star a human vampire, but you can hardly blame me. Now just this past week I found myself in the unenviable position of needing to find lots and lots and lots of copies of a single book for the upcoming meeting of my homeschooler bookgroup. And what delightful chapter book did I have enough copies in my library branch to satisfy screaming hoards of homeschooled kiddies? Again, it's "Bunnicula" to the rescue. It may not seem at first glance to have earned itself the moniker of "classic children's book", but I can attest right here and right now that when it comes to lifesaving go-to titles, I'll take "Bunnicula" over "Bridge To Terebithia" or "Are You There God, It's Me Margaret", any day. Some dogs have an inherent dignity about them that sees them through even the most ridiculous of situations with their heads held high. Harold is such a dog. Harold lives, with his close companion Chester the cat, with the Monroe family. Life with the Monroes has never been what you would call "exciting". That is, until the family comes back one day from a "Dracula" film with a tiny shivering rabbit found in the theater.
