Star Wars Instrumental Solos (Movies I-VI): Horn In F, Book & CD (Pop Instrumental Solo Series)

Synopsis

For the first time, Star Wars(R) A Musical Journey (Music from Episodes I-VI): Instrumental Solos includes selections from all six Star Wars(R) movies arranged for flute, clarinet, alto sax, tenor sax, trumpet, horn in F, trombone, piano accompaniment, violin, viola and cello. The arrangements are completely compatible with each other and can be played together or as solos. Due to level considerations regarding keys and instrument ranges, the wind instrument arrangements are not compatible with the string instrument arrangements in this series. Each book contains a carefully edited part that is appropriate for the Level 2--3 player and a fully orchestrated accompaniment CD. Each song on the CD includes a demo track, which features a live instrumental performance, followed by the play-along track itself. Also included is 4-color art as well as black and white art from the movies. Titles: Star Wars (Main Theme) * Jar Jar's Introduction * Augie's Great Municipal Band * Qui-Gon's Funeral * Duel of the Fates * Anakin's Theme * The Flag Parade * Across the Stars * The Arena * The Meadow Picnic * Battle of the Heroes * Cantina Band * The Throne Room * The Imperial March * May the Force Be with You * Princess Leia's Theme. This title is available in SmartMusic.

Customer Reviews

Purchased for my horn playing daughter. She loves it and it encourages her to practice more often because she loves playing the songs. For a person who has played just 3 years, some of the songs are a little bit tough, but there are plenty of other songs that are easy to play.

This is an amazing accompaniment book and CD combo. The orchestrations are unbelievably rich and inspiring to play along to. I love this CD and book combo!!! Worth every penny!!

Lots of songs from lots of the movies, so something for everyone. Nice pictures in between songs.
