Selected Themes From The Motion Picture Harry Potter And The Sorcerer's Stone (Solo, Duet, Trio): Flute (Instrumental Series)

Synopsis

This instrumental series contains selected themes from the box office sensation Harry Potter and the Sorcerer's Stone. Playable by any combination of instruments -- large ensembles, small ensembles, or solos -- the arrangements capture the wonderful sounds from the movie. Fingering charts are included. Titles are: Hedwig's Theme * Diagon Alley * Hogwarts Forever * Nimbus 2000 * Cast a Christmas Spell * Harry's Wondrous World.

Customer Reviews

I bought this for my daughter as a bday gift. She loved it! This is her first year playing the flute, and I was hoping the music wouldn't be too hard for her to play. It has songs that are for every "talent" group, from beginning to advanced. This was definately a great buy!

I ordered this book because I play flute and I am an extreme Harry Potter fan. The book doesn't say what level it is, and when I received it I was excited but a little disappointed. The book is based on a beginner level, and I am a high school student, so I need more difficult music. It is fun to play with friends though. I would recommend this book to a beginner to intermediate flute player.

Perfect for flute players although I'm not sure its for beginners like it states. My daughter has been in band since the beginning of the school year and there are a lot of notes that she had to look up in

order to start playing the music. So far, she has only mastered one song.

The flute teacher was so impressed with the duets and trios in this book she is going to use it to have her students learn to play together! Each piece is structured so that flutists of differing ability can play together, or play alone to their level.

This collection contains highlights from the soundtrack that are appropriate for an intermediate player. I was able to create a decent medley to perform using the arrangements herein, as all of the songs are arranged in the same key.
