Customer Reviews

I tried to read this book but really couldn't get into it because of the strange word substitutions I came across. For example, instead of Mona Scott-Young the book says Mona Scott-Youthful. 50 Cent became 50 Penny and Chris Brown turned into Chris Cocoa. The one that was the last straw for me was instead of "a little explaining" this book says "a few genuine disclosing." Reading this book just isn't worth it to me if I have to decipher the bad translation as I go.
