# The 'Whatever Arises, Love That' Course: Insights And Practices To Open The Heart And Live As Love

## Synopsis

"In a Universe of Endless Questions, Love Is the Only Answer." There is a loving intelligence at the core of your being that can lead you to the fulfillment of your highest destiny. Four words hold the secret to accessing it: Whatever arises, love that. With his first full-length audio-learning course, Matt Kahn invites you to join him for a 12-part journey that explores how profoundly your life transforms when you surrender to the love of your true divine nature. Insights and Practices to Open the Heart and Live as Love Whatever Arises, Love That brings you the most powerful insights for the evolution of your journey. Kahn says of this exciting work, "Since receiving the insights to offer loving what arises as the foundational core of my teachings, I began to see people at every level of spiritual development heal old wounds, release lingering conditioning, and unravel so much fear, frustration, and confusion to reveal the Truth of their eternal nature in the most direct and heart-centered way. Soon, a 'Love Revolution' was created on a global scale, where personal differences were set aside to unite families, neighbors, communities, and countries in the importance of awakening unconditional love for the well-being of all." Whatever Arises, Love That gives you the opportunity to reconnect with your heart's innate wisdom, reclaim your lost innocence, and realize the incredible power you have by remembering that you always deserve "more love, not less".
