The Face Painting Book: Make Money, Have Fun, And Improve Your Artistic Skills Painting Children's Faces

Synopsis

Book 1 of *Face Painting - Make Money, Have Fun, and Improve Your Artistic Skill Painting Children's Faces* by the London Face Painters, is aimed at the complete novice at face painting. All the photographs (included with the kind permissions of the subject, and parent or guardian), were taken under working conditions, not in a studio, and give an indication of what is achievable in 5 minutes, or a little longer for the more complicated designs. The first chapter gives advice on what equipment and paints to buy, with useful tips on important matters including hygiene, health and safety, and insurance. Examples of a written risk assessment and a consent form can be downloaded from London Face Painters website, which newly self-employed face painters can adapt for their own use, visit <http://www.londonfacepainters.co.uk/resources> Ideas and observations are offered on marketing your services, as well as the pros and cons of working through an agent. There are 6 worked examples and other illustrations of finished faces, with a thumbnail description of the method used, to give you extra ideas to work with, and as a taster for Book 2.
