## Customer Reviews

The songs in here are great, and I love it that it also comes with the booklet with just the violin music and just the viola then the book with both. That way we can practice separately. Wish it came with a CD though.

Awesome arrangements of popular and traditional tunes! Very enjoyable to play and not too difficult to read. A much needed addition to my music collection. Perfect all-in-one book for gigs- wedding ceremonies, cocktail hours, and receptions. Also great for use with students. I highly recommend this book!

Big Book of Violin & Viola duets is fun to play and contains a nice selection of music from pop to a few classical selections. It's a great addition to Viva la String's collection of music. Those viola and violin gig's needed some new music to play! Thank you Katy!

Me and my friend are trying to play duets together and this book is perfect. The songs aren't too difficult (most of them) but there is also some things that you will have to practice so I enjoy this book. I would recommend it for beginners.

Lots of great options for violin & viola duets. Mostly pop tunes but fun to play!
