Customer Reviews

I bought this booklet of Origami paper not long ago and found that it came in a variety of colors. You get 48 solid colored sheets (single sided) and one sheet of gold foil. Also included is a set of instructions for 6 basic origami models such as a Swan, a Pig, a Tortoise, a Samurai Helmet, a Row Boat and a Star shaped box. Though the booklet says its more suited for beginners, I have folded a T-Rex (John Montroll's) using this same paper! These are 6" square sheets of paper, by the way.

Nice assortment for beginners. Maybe a nice gift for kids. There are better bargains however.

I liked the paper but I am not that skilled in origami so trying to work with this small paper was really hard. Next time I will purchase bigger sheets until I get better.

My eight year old son has been using this paper for many projects. Some have said it is too small but he does not seem to be having any trouble with it. Over all a good product.

Great quality paper, exactly as described. Would purchase again!

The paper was easy to fold, it came with several instructions for origami folding. My son would have liked to have known it only had one sheet of gold paper. The main reason I ordered the paper was to go with the origami book that was also purchase. Half the paper was gone before the book even arrived. The book was shipped after the expected arrival date. An email was sent, and the product was recieved two days later.
